The court held a status hearing in this chapter 11 case. The court noted that the debtor's authorization for use of cash collateral expired on December 31, 2018, see ECF No. 58. Counsel for the debtor orally moved to extend the use of cash collateral until the earlier of plan confirmation or October 9, 2020. The court instructed Mr. Leverson to draft an order stating that the court was conditionally granting the debtor's motion for use of cash collateral until the earlier of plan confirmation of October 9, 2020, unless First Citizens State Bank, Watersone Bank or any other party with an interest in the collateral files an objection within 21 days. After the court signs that order, the debtor must serve the order on First Citizens State Bank, Waterstone Bank, and any other party with an interest in the motion forthwith.

The court set July 1, 2019, as the deadline to file proofs of claims in this case. Mr. Leverson to submit a proposed order.
